Carolina Multiple Listing Services, Inc. (CarolinaMLS)

- Approved the following TEMPO™/Fusion™ changes as recommended by the CarolinaMLS Advisory Group:
    - Add "Family Room" as a choice to the "Main," "Upper," "Lower," "Third," and "Basement" level rooms fields. The advisory group agreed that the terms "Great Room" and "Living Room" are not the same as "Family Room," and that "Den" is an outdated term that doesn't accurately describe newer construction.
    - Add "Family Room" as a choice to the "Fireplace Location" field.
    - Change the field label from "Fireplace Location" to "Fireplace Description."
- Approved waiving the cooperating key fee with the Cleveland County Board of Realtors® and they will do the same.
- Approved the 2013 CarolinaMLS budget.

Housing Opportunity Foundation

- No motions.

Charlotte Regional Realtor® Association

- Approved the 2013 CarolinaMLS and Association budgets.
