

NEED A NOTARY?

Canopy has you covered.

This Canopy benefit is provided free of charge to members of Canopy Realtor® Association and Canopy MLS subscribers.

This value-added service equates to a savings from \$10 to \$25 per notarized principal signature based on what Notaries in North Carolina can charge for specific notarial acts.* Plus our Notaries will provide the service at numerous and convenient locations.

Introducing Canopy's Notary Public Commissioners

Our team of Notary Public Commissioners are an impartial witness to the signing or authentication of a legal document. For example: real estate deeds, affidavits, wills, trusts, powers of attorney, and even car titles. Also, when applying for a S.C. license you must have the document notarized.

All notary services available by appointment only: Mon-Fri, 9:30 a.m.-3:30 p.m.
