COMMUNITY GRANTS

program guidelines

The purpose of Canopy Housing Foundation's **Community Grants Program** is to provide monetary support to area nonprofit organizations within the scope of the geographic areas served by the Canopy Realtor® Association (restricted to organizations in Mecklenburg, Iredell, and Haywood counties). Only applications for requests that address unmet housing needs will be considered for funding. Applications are rated by a community panel based on the following attributes: community impact, project feasibility, fiscal strength and Realtor® support.

Submission deadline: May 31, 2025 at 5 PM | No late submissions will be accepted.
Checks distributed by: July 2025

Support Amount 2025 year signifies the seventeenth year for the Community Grants Program. This year, grant requests will be considered in any amount up to **\$5,000 (with the highest amounts being awarded for exceptional applications only)**. Support is considered restricted to specific programs and will not be considered for the following: operational expenses, salaries, administrative expenses, capital expenses (building projects) or debt reduction and endowment funds.

Support Period For the 2025 year, the support will be distributed in the third quarter during the month of July. The funding must be expended or earmarked by Dec. 30, 2025. Only legally recognized nonprofit organizations operating in Mecklenburg, Iredell, and Haywood counties are eligible. Please note that Habitat for Humanity organizations are not eligible for funding through this program and should inquire about the Habitat Support Grant Program. **All applications must be accompanied by a letter of recommendation on the firm's letterhead by a Realtor® member of the Canopy Realtor® Association.** The member must be in good standing at the time of panel deliberations.

Reporting The foundation, as the manager of this grant program, will request additional year-end reports to certify that the funds were dispersed as proposed. This provides assurance that the funds served the organizational purpose as stated. Failure to submit these reports by January 15, 2026, could jeopardize an organization's ability to receive funds in future grant cycles.
