Making **Strides for Shelter** by funding housing needs in our Charlotte community

Strides for Shelter is presented by the Canopy Housing Foundation, the charitable arm of the Canopy Realtor® Association. The Foundation promotes affordable homeownership, provides funding to create housing opportunities, and encourages volunteerism and philanthropic activities among its 14,000+ Realtor® members.

Crisis Assistance Ministry will be our 2026 race beneficiary. Crisis Assistance Ministry serves as a vital lifeline for Mecklenburg County families in financial crisis, providing the essential support and advocacy they need to regain self-sufficiency. Proceeds from this year's race will directly fund a major transformation of their Free Store. This initiative will modernize the shopping environment—improving organization, layout, and flow—to ensure that families can access clothing, shoes, and household essentials with dignity and ease. By reducing congestion and creating a more welcoming, customercentered space, these upgrades will provide a more supportive experience for our neighbors during their most challenging moments.

Throughout the nine year history of Strides for Shelter, the Canopy Housing Foundation has donated over \$242,000 to nine different beneficiary organizations who are addressing the needs of our unhoused neighbors.
