APPROVED POSTLICENSING COURSE DESCRIPTIONS

Real Estate Broker Postlicensing Courses

The primary objective of the Postlicensing education program is to provide instruction at a level beyond that provided in the Broker Prelicensing course on topics deemed to be of special importance to licensees.

Per **Commission Rule 58A.1902** Provisional Brokers must complete “a postlicensing education program consisting of ninety (90) hours of classroom instruction in subjects determined by the Commission” within three (3) years following initial licensure. The program consists of three 30-hour courses, at least one of which must be completed in each of the first three (3) years following initial licensure in order to retain eligibility to actively engage in real estate brokerage.

The 90-hour Broker Postlicensing education program consists of three 30-hour courses prescribed by the Commission that can be taken in any sequence. However, the Commission recommends following the course number sequence (301, 302 and 303), as course materials were developed with that sequence in mind. A provisional broker must satisfactorily complete at least one of the 30-hour courses during each of the first three years following the date of his or her initial licensure as a broker in order to retain his or her eligibility to actively engage in real estate brokerage. When a provisional broker has completed all three (3) courses in the required time period, the provisional status of the broker’s license will be automatically terminated by the Commission. There is an end-of-course exam with each 30-hour course.

Per **Commission Rule 58H.0209** Mingle School shall not knowingly enroll a student in a Broker Postlicensing course while the individual is enrolled in a Prelicensing course or that individual has not passed the license examination.

A student may enroll in the courses in order to qualify for a reinstatement of his/her license or pursuant to a disciplinary consent order issued by the Commission. In either instance, the student should provide evidence of eligibility if he or she does not possess a current pocket card for verification of eligibility.

Please note that if a provisional broker fails to complete all three Broker Postlicensing courses within three years following the date of his or her initial licensing, his or her license shall be placed on inactive status until he or she remedies the education deficiency and requests reactivation of his or her license.

Any student who brings such a device to the classroom on the day of an exam will be required to remove it from the classroom before the exam commences. Students are required to take their end-of-course exam on the scheduled exam date. Exception to this policy will only be made for extreme circumstances. When extreme circumstances arise, a student must submit a **written request with explanation** prior to the exam date in order to reschedule the exam. If the student's request is granted, he or she will be required to take his or her exam **within 30 days from the last scheduled day of his or her course**.

Students who do not show up for their end-of-course exam (no-shows) and have failed to notify the school or their instructor **in writing prior to** the exam will automatically fail the exam and receive a score of 0%. A no-show for the end-of-course exam will have an opportunity to take a retest exam within 30 days from the last scheduled day of his or her course; however, it is the student's responsibility to contact the Mingle office to schedule the exam.

Students must arrive on time for the end-of-course exam. A student arriving late to the end-of-course exam will not be admitted and will be required to schedule his or her exam with the Mingle office. The rescheduled exam must be taken within 30 days from the last scheduled day of the student's course.
