  - Google Chrome

Note: *To utilize the Print and Export features, all browsers must have 'Pop-Up Blocker' disabled, or the domain *.realist.com must be added to Pop-Up Blocker Exceptions list. The use of Internet Explorer versions 10 or later may require running your browser in compatibility mode. Currently, Internet Explorer 11 and Firefox running on Windows 8.1 are not compatible with Realist. This is related to a known defect Adobe has in its Flash Player. We recommend Google Chrome as a compatible alternative for users running on Windows 8.1.*
